Records request.

As for any documents you requested for April 6, 2021 I was not elected to office until this date. I didn't received any minutes or official records for this meeting or vote. The only items I received for the vote were ballots and due to them just being slips of paper and no designation as to what they were for I have no official records for that election. 

As for the meeting on June 25, 2021 - I was unable to attend that meeting as I was previously engaged and I never received any documents for this meeting.

As for the records dating from 1997-2021 this would be massive and if I ever receive a key to the city barn or office and obtain a scanner / copier then I can begin this project.
