Street Signs Progress and their Effectiveness - we don't have any

Juanita Havens - Refrigerator - \$156.00.

Truck Route - Discussed the alternate route for the oilfield
trucks going thru town.

Kitchen Remodel Progress - we have the appliances and sink in
place, but we need some other things fixed.

Caution Light on Highway 19 - Inquired about caution light
+ found out that it would cost us too much money.

City Ordinances - The city ordinance book that we have is
for larger towns + cities, so we need to make changes as to
what ordinances our town needs.

Community Building Repair to Walls - need to be redone at
a later time.

Trash Bins at Community Building - Cost and Effectiveness as
to Town Clean-up. - They have helped in cleaning up our town
