Bradley, OK 73011

Dear Ms. Havens,

I am pleased to inform you that the ASCOG Area Agency on Aging evaluation committee has approved your Community Expansion of Nutrition Assistance (CENA) grant in the amount of \$5,521. Due to limited funding and a high number of applications, the amount awarded by the committee may be less than the amount that you requested.

Enclosed are duplicate contracts. Please sign both—return one to me and the other is for your records. Project narratives are attached describing the specific items funded under the contract. Return one signed contract as soon as possible. As described in the project narrative, the grant funds are to be expended for the purchase of only those items listed.

CENA funds must be expended prior to June 30, 2007. The expenditure form necessary to request drawdowns against your grant award is attached as the final page of the contract. When you are ready to draw down funds, please provide documentation supporting the amount requested along with the executed expenditure form.

If you have any questions or need assistance please call Jim Vanzant, AAA Director.

Thank you,
