In accordance with the regulations approved by the Secretary of the Interior May 12, 1904, in conformity to the provisions of the act of Congress Approved, April 21, 1904, (33 Stats 204) I have made a full investigation, in connection, with the application of Alice Terry a citizen by the blood of the Choctaw Nation, for the removal of the restrictions upon the alienation, of her allotment (except her homestead) and am as the result of that investigation, satisfied, that the removal of restrictions upon the alienation of her allotted lands except as to her homestead, will be for the best interests of the allottee and I so recommend, the approval of this certificate does not in any manner determine the rights of the allottee to any particular tract of land.
