SHOOTING AT BRADLEY.
 Day before yesterday had one of those affairs that come up in this section, and getting to gun play and shooting. In this affair one Doyle Deary and Al Resino, two farmers, had some difficulty and quarreled over some rails, and a corn planter used some threats were made. Deary had a corn planter which was to have as soon as the other was done, and he went after it, and he and the other went into the field, thinking it was another man on the machine. When within about a hundred yards Resino got off the planter and began firing with a Winchester, bringing down and killing Deary's horse. The other then fired a bullet, caught him in the left arm just below the elbow, placing it way to within two inches of the wrist. Dr. Hovers at Bradley dressed the wound, but could not locate the bullet. Yesterday Deary was brought here and the ball located on the X ray and Dr. P. Brown cut it out. It proved to be a .38-caliber Winchester. The wound will heal all right, and is not dangerous. All this time appears have been made.

CHICKASHA ITEMS
 Mrs. Bobb Thompson and Miss Mattie Watkins were at the school on a shopping expedition last week. Easter Sunday was celebrated in Chickasha with beautiful and appropriate music rendered by the choir under the supervision of Miss Webb. Rev. Anderson delivered an able sermon both morning and afternoon in public. Mrs. Fred Ditter and a number of others from the country came in to the services Sunday.
 Mr. W. Thompson of Chickasha spent Sunday in Muskogee, presumably on business of an urgent nature, judging from the frequency of their visits.
 Mr. and Mrs. John Lewis were in Muskogee last week visiting relatives. They were accompanied by Miss Lewis, this being that young lady's first appearance in public, since she came to reside with her happy young parents.
 Mrs. Douglas, with little Goldie, returned to her home in Pood creek last week.
 Mr. Bobb Thompson attended quarterly conference of the M. E. church in Bush Springs last Sunday. Chickasha is on a business boom making from the new store building going up. Mr. Armstrong is making extensive additions to his drug store, dental parlor, implement house and various concerns. Mr. Parks has purchased the grocery business of J. A. Ware, Jr., formerly managed by Robb Lewis.
 The letter is putting up a new barber shop and confectionery stand. Thompson & Ledbetter, the old reliable, are still opening up new goods at a lively rate and selling nothing less than as fast.
 "Carte Jobb" will have a extra fine article in Monday's Express. Look out for it.

ADOLE'S MILLINERY OUTFITTING.
 The little girls of the city couldn't do less than have a military display for their dolls, after the manner of their mama, and they had it. To follow out the idea
 Miss Anna Hill,
 Miss Lela West and
 Miss Lela Goff
 Put an exhibition at the home of Miss Anna Hill, this afternoon, on elegant list of doll's hats, dresses and doll's fixtures, and invited the Express to come and see it and we went, and are free to say that it was an elegant display, while the courtesy and attention paid the guests was equal to the best of the bazars and openings of their elders. The simple and good looking visiting ladies did the business as nicely as could be. They had puppets and by another Easter season can give the Muskogee pointers.
