Indian Commissioner Jones will have to get printed answers to have to get printed answers to wait som retrogreds I, too, se the magnetisms he is getting by mull as to how to open the Consonal control of the same as to the same as the same as

Commencing January 1st, the eating houses and lunch counters of the Rock Island Route west of of the Missouri river will be under the direct charge of the direct charge of the diring car department and will be operated ob the same lines that have given the Rock Island dining cars their excellent reputation throughout

There is one good thing about he marriage of American girls to the marriage of American girls to broken-down foreigners with titles, and that is, it helps to put money in circulation, that has has been hoarded for years. While is gets into the channels of circule arcoss the water, it is bound to come this way events.

The St Louis Republic gets off an excellent cartoon of that arrant an excellent cartoon of that arrant braggart, Teddy Roosevelt in bis hunting expedition in Colorado. The doughty vice president is pictured as slaying a hear with his revolver in his right hand, while he receives a mountain iton wante ae receives a mountain non on the point of a dagger in his left. The invincible vice presi-dent amokes his eigarette and smiles at the fear depicted on the untenance of his guide.

While a large oak was being sawed into lumber at L. C. Beem's mill at Richwood, Ohio, the other obstruction in the log which completely wrecked the saw and en ngered the lives of the workmen. The log was chopped spart and almost in the heart was found steel head of an ax, which must haxe been broken off there at least 30 years ago, as indicated by that number of concentric rings surrounding it as a center.

Young man, don't swear. Swearing was never good for a sore finger, says an exchange. It never cured the rheumatism nor belped draw a prize in a lottery people through life. There is no occasion outside the newspaper ce, where it is useful in proofreading and indispessibly neces-sary in getting forms to press. It has also been known to materiover the paper after it has a printed. But otherwise it is

IR GREETIN

Having purchased the stock of Groceries, Chattles, Fixtures and Good Will of Erwin & Me-Campbell, we will continue the business at the same stand and will be glad to meet their old patrons and all others needing goods in our line.

Having located among you for weal or for woe. Our aim will be to offer fresh up-to-date goods at prices as low as the lowest. We expect to purchase for cash, and self for cash. Come and see us and let us supply your wants; and shake your hand. Respectfully. W. R. PRITOHETT, Manager.
