

Grady County RWD 3

REQUEST TO SPEAK AT A RWD MEETING

(Completion of this form does not entitle the Speaker to be added to the agenda.)

The Rural Water District would like to hear issues of importance brought by its members as it is in the best interest of the District that the President and Water Board be well-informed and prepared to address topics placed on the agenda. In order to better ensure that this process is efficient and effective, the RWD requires that members submit a written form outlining the subject matter about which they would like to speak. The President may rule out of order: personal, abusive or indecorous language or matters that the RWD has no purview over.
